Dear Colleagues,

Welcome to the Fall Semester! As you will see below, our CMHSR team has been busy this summer. We've prepared a fantastic Fall Seminar Series, and CMHSR faculty and trainees have been busy publishing manuscripts, receiving grant awards, and meeting doctoral program milestones. We're excited to continue to share our work with the Brown School community throughout the academic year.

## Workshops and Conferences

### **The National Institutes of Health (NIH) Virtual Seminar on Grants Administration and Program Funding | Monday, November 1<sup>st</sup> - Thursday, November 4<sup>th</sup>, 2021.**

This seminar is free and open to the public and is designed for those that are new to the NIH grants process. This seminar will be excellent for social work researchers that are still in training or are early stage investigators and are interested in obtaining NIH funding. For those with more familiarity with NIH, there is also an opportunity to “Meet the Experts” and set up one on one meetings with NIH program staff. Registration is open now. Please encourage your networks to register soon and check out the agenda so they can schedule accordingly.

#### **Who Should Attend?**

If you are an administrator, researcher, early-stage investigator, graduate student, or anyone new to working with the NIH grants process, then this seminar is designed specifically for you.
